Dear General Horton:

Due to a late-breaking development, the December 10 meeting of the CSIS Group on Strategy and Arms Control with Donald Kerr unfortunately has to be cancelled.

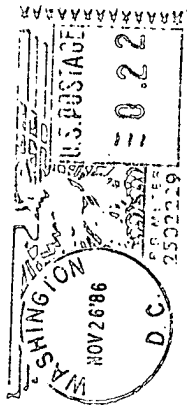

The next meeting of the Group will be on January 28, 1987, and our speaker will be Dr. Joseph Nye of Harvard University. We will be in touch about the specific arrangements for that meeting as the date approaches.

In the meantime, please accept our best wishes for the holiday season.

Sincerely,

Michael Brown

Dear General Horton: 

I am happy to hear that you have agreed to participate, in an ex officio capacity, in the 1986-87 Group on Strategy and Arms Control.

This year, the GSAC will be examining crisis management and non-traditional approaches to the avoidance of nuclear conflict, issues of ever-increasing importance to U.S. policy makers.

We will be holding a series of meetings in the months ahead, culminating in a major workshop to be held in the Spring of 1987. I am sending along our schedule for the year as well as a list of the GSAC membership for 1986-87.

I look forward to your participation in the GSAC this year.

Sincerely,
